Book reviews

Erik Albæk, and others: THE ART OF BALANCE AIM by Eric Holstein

Three academics attempt to deny bias in political journalism at DR and TV 2 belong in the world of theories. The book covers only a small section of its output and does not take into account the new political opposites.

Kasper Støvring: cohesion of by Peter Bagge Overgaard Hansen

Kasper Støvring delivers a well written debatbog a concept that shares the waters of Danish politics. But originality is to be neglected.

Michael Jeppesen: In Gods HANDS
