

Paul Wilson

Paul Wilson is the Director of *Wilson GCC* (Global Conference Consultants). His clients include, associations, conference organisers and destinations.

As a Director of the FDI World Dental Federation he was responsible for the Congress and Corporate affairs. He joined the FDI from the Aerospace Industry and was tasked with bringing the FDI congress in-house and establishing industry relations. The FDI congress is now one of the world's largest international medical events and in recent years visited Dubai, China, India and many other major cities around the globe

He has also developed unique partnerships with global oral health companies, which are all contributing towards healthy mouths for more people.

Paul is the former Vice President of AC Forum of which FDI is a founding member.
