Questions:

What do you want to do?

Where do you want to go?

Who will you influence?

Today:

We do not choose to be born.
We do not choose our parents.
We do not choose our historical epoch,
the country of our birth,
or the immediate circumstances of our upbringing.
We do not, most of us, choose to die;
nor do we choose the time and conditions of our death.
But within this realm of choicelessness,
we do choose how we live.
