## Wildcard: German winners have been

16.02.09

**IMEX.** Two companies from the Meeting Industry've done it: They are this year's winner of the "wild card" of the GCB German Convention Bureau, and may thus free to the fair "IMEX - incorporating Meetings made in Germany" 2009, 26 to 28 May 2009 in Frankfurt participate. The GCB, the City Management and Tourism Chemnitz and SwarmWorks an area at the Germany stand available.

Lutz P. Vogt, Managing Director of GCB: "IMEX is one of the most important meeting places of our industry. For our two wild card winners means to participate in this fair a great opportunity to join a specialist international audience. We are pleased that we them in our Germany-start this state can allow. " Wildcard winner must be new to the market or a new innovative product for the congress and event market, and yet never at a trade fair of the industry participated.
